MEMO ENDORSED

Re: United States v. Alberto Vilar
Docket No. S3 05 Cr. 621 (KMK)

Dear Judge Karas:

I write to request until Friday to briefly respond to the Government's submission of June 11, 2007, responding to my application for Mr. Vilar's present bail conditions. The Government, by Assistant United States Attorney, Mark Litt, consents to this application.

On Thursday, June 7, 2007, I underwent extensive spinal surgery at the Hospital For Special Surgery in New York City. Since then, most of my time has been spent with pain and sedation. I was not able to read with any degree of comprehension the Government's letter until today. From what I have read, I believe that a very brief response is required and appropriate, and write to request until Friday to file it.

Very truly yours,

Ivan S. Fisher
